**General Instructions**

**Purpose of form.** Give this form to the third-party payer of your sick pay, such as an insurance company, if you want federal income tax withheld from the payments. You aren't required to have federal income tax withheld from sick pay paid by a third party. However, if you choose to request such withholding, Internal Revenue Code sections 3402(o) and 6109 and their regulations require you to provide the information requested on this form. Don't use this form if your employer (or its agent) makes the payments because employers are already required to withhold federal income tax from sick pay.

**Note:** If you receive sick pay under a collective bargaining agreement, see your union representative or employer.

**Definition.** Sick pay is a payment that you receive:

- Under a plan to which your employer is a party, and
- In place of wages for any period when you're temporarily absent from work because of your sickness or injury.

**Amount to be withheld.** Enter on this form the amount that you want withheld from each payment. The amount that you enter:

- Must be in whole dollars (for example, \$35, not \$34.50).
- Must be at least \$4 per day, \$20 per week, or \$88 per month based on your payroll period.

- Must not reduce the net amount of each sick pay payment that you receive to less than \$10.

For payments larger or smaller than a regular full payment of sick pay, the amount withheld will be in the same proportion as your regular withholding from sick pay. For example, if your regular full payment of \$100 a week normally has \$25 (25%) withheld, then \$20 (25%) will be withheld from a partial payment of \$80.

**Caution:** You may be subject to a penalty if your tax payments during the year aren't at least 90% of the tax shown on your tax return. For exceptions and details, see Pub. 505, Tax Withholding and Estimated Tax. You may pay tax during the year through withholding or estimated tax payments or both. To avoid a penalty, make sure that you have enough tax withheld or make estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. You may estimate your federal income tax liability by using the worksheet above.

**Sign this form.** Form W-4S is not valid unless you sign it.

**Statement of income tax withheld.** After the end of the year, you'll receive a Form W-2, Wage and Tax Statement, reporting the taxable sick pay paid and federal income tax withheld during the year. These amounts are reported to the IRS.

(continued on back)

**Changing your withholding.** Form W-4S remains in effect until you change or revoke it. You may do this by giving a new Form W-4S or a written notice to the payer of your sick pay. To revoke your previous Form W-4S, complete a new Form W-4S and write “Revoked” in the money amount box, sign it, and give it to the payer.

**Specific Instructions for Worksheet**

You may use the worksheet on page 1 to estimate the amount of federal income tax that you want withheld from each sick pay payment. Use your tax return for last year and the worksheet as a basis for estimating your tax, tax credits, and withholding for this year.

You may not want to use Form W-4S if you already have your total tax covered by estimated tax payments or other withholding.

If you expect to file a joint return, be sure to include the income, deductions, credits, and payments of both yourself and your spouse in figuring the amount you want withheld.

**Caution:** If any of the amounts on the worksheet change after you give Form W-4S to the payer, you should use a new Form W-4S to request a change in the amount withheld.

**Line 2—Deductions**

**Itemized deductions.** Itemized deductions include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your adjusted gross income. See Pub. 505 for details.

**Standard deduction.** For 2021, the standard deduction amounts are:

Filing Status	Standard Deduction
Married filing jointly or qualifying widow(er)	\$25,100*
Head of household	\$18,800*
Single or Married filing separately	\$12,550*

\* If you're age 65 or older or blind, add to the standard deduction amount the additional amount that applies to you as shown in the next paragraph. If you can be claimed as a dependent on another person's return, see *Limited standard deduction for dependents*, later.

**Additional standard deduction for the elderly or blind.** An additional standard deduction of \$1,350 is allowed for a married individual (filing jointly or separately) or a qualifying widow(er) who is 65 or older or blind, \$2,700 if 65 or older **and** blind. If both spouses are 65 or older or blind, an additional \$2,700 is allowed on a joint return. If both spouses are 65 or older **and** blind, an additional \$5,400 is allowed on a joint return. Additional standard deductions are also allowed on your separate return for your spouse who is 65 or older and/or blind if your spouse has no gross income and can't be claimed as a dependent by another taxpayer. An additional \$1,700 is allowed for an unmarried individual (single or head of household) who is 65 or older or blind, \$3,400 if 65 or older **and** blind. See the 2021 Estimated Tax Worksheet—Line 2 Standard Deduction Worksheet in Pub. 505.

**Limited standard deduction for dependents.** If you are a dependent of another person, your standard deduction is the greater of (a) \$1,100 or (b) your earned income plus \$350 (up to the regular standard deduction for your filing status). If you're 65 or older or blind, see Pub. 505 for additional amounts that you may claim.

**Certain individuals not eligible for standard deduction.** For the following individuals, the standard deduction is zero.

- A married individual filing a separate return if either spouse itemizes deductions.
- A nonresident alien individual. For exceptions, see Pub. 519, U.S. Tax Guide for Aliens.
- An individual filing a return for a period of less than 12 months because of a change in his or her annual accounting period.

**Line 5—Credits**

Include on this line any tax credits that you're entitled to claim, such as the child tax credit and credit for other dependents, higher education credits, credit for child and dependent care expenses, earned income credit, or credit for the elderly or the disabled. See the Tax Credits table in Pub. 505 for more information.

**Line 7—Tax Withholding and Estimated Tax**

Enter the federal income tax that you expect will be withheld this year on income other than sick pay and any payments made or to be made with 2021 estimated tax payments. Include any federal income tax already withheld or to be withheld from wages and pensions.
